BISHOP COTTON WOMEN'S CHRISTIAN  
LAW COLLEGE, BENGALURU

### ABOUT THE COLLEGE

Bishop Cotton Women's Christian Law College, Bengaluru is the only college in Karnataka imparting legal education exclusively to women. The college was established in the year 2002. The college is recognized by the Government of Karnataka, affiliated to the Karnataka State Law University, at Hubballi and is approved by the Bar Council of India. Bishop Cotton Women's Christian Law College is managed by the Board of Management of the Karnataka Central Diocese of the Church of South India. "NEC DEXTRORSUM NEC SINISTRORSUM" is the college motto, which is the Latin expression for "Neither to the right nor to the left" this teaches our students to march straight on and strive for excellence.

### INTEGRATO

Integrato is a Latin word that translates as "Integration" - "Bringing people together". Bishop Cotton Women's Christian Law College is one of the few colleges in Bengaluru with a desire to bring together people from different fields and professions in one place to promote a sense of togetherness, equality, friendship and sportsmanship. Integrato is a two-day national level cultural, legal and management fest that transcends the legal fraternity. The fest provides opportunities for students to meet, network and showcase talents before distinguished guests and learned judges.

### COSPLAY

The theme for Integrato 2018 is "COSPLAY". Cosplay is the practice of dressing up as a character from a film, book or video game or from Japanese genres of manga or anime. Cosplay is considered to be a performance art and through this art-form the present generation are able to role play their favourite characters. In keeping with the name of the fest, we aim to integrate different people, characters and storylines in one place. The theme personifies unity in diversity giving people of various cultures, backgrounds, fields and professions an opportunity to enjoy the two-day fest dressed as their favourite characters. The theme will not only integrate students but will also help them tap into their creative side.
